

# Wildlife In Motion At Forest Ridge Park

Take your best shot! We will introduce the use of trail cameras for wildlife viewing. This two-session course provides tips on use, etiquette, site selection, and how to set up a wildlife camera trap. We will start indoors before moving outside to allow time to set up cameras in the park. On the second session we will retrieve the cameras to see what we've captured. This program will spend time outdoors; please dress accordingly. Find out what critters are in your community, cameras are provided. Transportation is being offered for this program, pre-registration required.

Date: Thursday, March 14 & 21

Time: 10 AM-12 PM

Fee: \$5

#231958

## March 14th Transportation (Required by March 8)
